Dear Sir or Madam,

The purpose of this letter is to acknowledge the work that your company group has been developing in the Spanish Property sector for over 40 years.

The leading position you continue to maintain in the residential property sector has not been the result of change; rather it is proof of many excellent projects and a group of highly qualified professionals.

We would also like to congratulate you on your recent projects in Mexico and Brazil, which will doubtless lead to exciting openings into other foreign markets.

Finally, we would like to take this opportunity to convey our desire to continue with, and to improve, the excellent business relationship that our institution has shared with you for several years.

Yours faithfully,

Mr. Jesús Lizón López
