Additionally, the hotel management will take care of the maintenance of the equipment. Your property ready to live in from the first day! Request the furniture & equipment list which is available for each property.

## THE SURROUNDING AREA

### The Beaches

Opposite the estate is the Xcalacoco beach, which derives its name from Mayan civilisation, meaning "twin coconuts". This is a beautiful Caribbean beach with white sand, emerald waters, and only 200 m out to sea is the end largest coral reef in the world, running parallel to the beach.

### Amenities

In nearby Playa del Carmen you can find all kinds of services and entertainment: shopping centres, chemists, hospitals, restaurants, cultural attractions, adventure sports and diving around some of the most spectacular coral reefs in the world, etc. Next to the resort now under development is the Grand Coral golf course, which boasts an ancient Mayan pyramid within its perimeter. 5 km south is PlayaCar golf course, and 1 km north lies Mayacoba Golf, famous for hosting exclusive US golf circuit events. More info [www.thefives.com.mx](http://www.thefives.com.mx)

### Views from the properties

Views over the tropical jungle, the natural lake inside the eco-park, the Grand Coral golf course, the swimming pool and the Caribbean.
